

## **BARRIE KENNEL & OBEDIENCE CLUB**

# **SHOW PROTOCOLS**

We are pleased to announce that the Simcoe Muskoka Health Unit has approved us to have a maximum of 75% capacity a day at our show.

No one will be allowed entry to the show grounds without a Covid 19 waiver as provided in the premium list. One is **required** for each person in your vehicle over the age of 12. Please be prepared as there will NOT be any available at the gate. A small number of masks will be available at the gate for a nominal charge. Wristbands will be issued when your waiver is received.

Exhibitors will be allowed to set up a 10 X 10 canopy, spread out at least 5m apart. No more than 2 sides up on a canopy at any time! There is to be no socializing between set ups, when not at your canopy you **MUST** wear a mask.

There will be an area reserved for handlers (those showing more than 4 dogs that do not belong to them). Same rules apply for masks and social distancing.

Exhibitors are allowed to remove masks while running in the show rings. All rings will have an entry and an exit to allow for social distancing.

Exhibitors are encouraged to leave the show when their breed judging is done if they are not needed for the group level. Enjoy the beautiful summer weather. We do regret that camping is not allowed – this is a zoning issue with the township. The BKOC is working with ODAS Park on this issue for future events.

**IF** we move to stage 4 on July 30th, we will be welcoming spectators to the show. We will continue to promote mask wearing and social distancing.

We have been told we are allowed to have vendors at the show. We are working on arranging a food vendor.

There will be a limited number of porta-potties at the venue, please note they will not be sanitized but will be serviced daily. The BKOC will have several sanitation stations but exhibitors are encouraged to bring their own hand sanitizer with them.

***Please be respectful of the required protocols.***
